MEMORANDUM FOR: Richard M. Bissell
Special Assistant to the Director
for Planning

SUBJECT : Intelligence Communications

Attached is a draft of a paper concerning intelligence communications which may be of interest to you in your capacity as chief innovator of intelligence. Since this paper was written there has been a considerable development of the ideas contained in it with Communications, DDP and various DDI Offices. I would be very happy to drop around at your convenience and give you a five-minute briefing on the status of the project.
